

2025 UNDERGRADUATE DIVISIONS
FOR INTERNATIONAL STUDENTS OF TSINGHUA UNIVERSITY

Divisions	Schools/Departments	Programs/Majors	
01 Architecture	School of Architecture	Architecture Urban and Rural Planning Landscape Architecture	
02 Civil Engineering	School of Civil Engineering	Civil Engineering and Systems	Civil Engineering Hydrosience and Engineering Construction Management Traffic Engineering Marine Science and Engineering
03 Intelligent Manufacturing and Equipment	Department of Mechanical Engineering	Mechanical Engineering Mechanical Engineering (Elite Program)	
	School of Vehicle and Mobility	Vehicle Engineering Vehicle Engineering (Automotive Design)	
04 Energy and Power	School of Architecture	Building Environment and Energy Engineering	
	Department of Electrical Engineering	Electrical Engineering and Automation Electrical Engineering and Automation (International Class of Energy Internet)	
	Department of Energy and Power Engineering	Energy and Power Engineering	
05 Electronic Information	Department of Electronic Engineering	Electronic Information Science and Technology	
06 Computer Science	Department of Computer Science and Technology	Computer Science and Technology	
07 Automation	Department of Automation	Automation	
	School of Economics and Management	Information Management and Information Systems Pure and Applied Mathematics	
08 Mathematics, Physics and Modern Engineering	Department of Mathematical Sciences	Pure and Applied Mathematics	
	Department of Physics	Physics Fundamental Sciences (Mathematics and Physics)	
09 Chemistry and Life Science	Department of Chemistry	Chemistry	
	School of Life Sciences	Chemical Biology Biological Science	
	School of Pharmaceutical Science	Pharmaceutical Science	
	Department of Chemical Engineering	Polymer Materials and Engineering Chemical Engineering and Industrial Biological Engineering	
10 Economics, Finance and Management	School of Economics and Management	Economics and Finance (International Program) Information Management and Information Systems	
11 Law	School of Law	Law	
12 Arts	Academy of Arts and Design	Design Fine Arts Art History	
13 Clinical Medicine	School of Medicine	Clinical Medicine (Outstanding Physician-Scientist Program)	
14 Xinya College	Xinya College (A Residential Liberal Arts College)	Mind, Brain & Machine Philosophy, Politics and Economics Creative Design and Intelligent Engineering	
15 Rixin College	School of Humanities	Chinese Language and Literature History Philosophy	
	Department of Foreign Languages and Literatures	English Language (Class of World Literatures and Cultures) Japanese Language	
16 Weixian College	School of Materials Science and Engineering	Materials Science and Engineering	
	Department of Precision Instrument	Measurement, Control Technology and Instruments	
	Department of Biomedical Engineering	Biomedical Engineering Interdisciplinary Engineering	
17 Xiuzhong College	School of Environment	Environmental Engineering Urban and Rural Planning Landscape Architecture	
	School of Architecture	Landscape Architecture	
	School of Economics and Management	Economics and Finance Interdisciplinary Engineering	
18 Dushi College	School of Software	Software Engineering	
	Department of Industrial Engineering	Industrial Engineering	
	School of Aerospace Engineering	Aerospace Engineering (Engineering Mechanics, Aeronautical and Astronautical Engineering, Energy and Power Engineering) Interdisciplinary Engineering	
19 Zhishan College	School of Social Sciences	Sociology Economics International Politics Politics and Public Administration
